

# Constant visibility isn't the same as meaningful connection

**It's 2026. It's time to get back to print media.**

Endless scrolling of social media posts causes your ad message to get lost in the abyss. Print media reduces the digital noise and offers a more focused, uninterrupted experience for the reader.

**East Gwillimbury's Bulletin Magazine** can deliver your ad message to **14,000 homes** directly to mailboxes via Canada Post, in a way that our readers have trusted for 27 years. Let us show you what meaningful connection really is, and how it can work for YOUR business!
